“ Earleen was my Friend and I love her so very much. She taught me the true meaning of being a true servant in the house of God. She was a shining example of how to serve in spite of how you are being treated. I served under her tutelage for many years and I grew in love, compassion and understanding of people each time I served. She was a wonderful, loving person who gave without seeking anything in return. My heart and prayers go out to her family and friends. I miss you my Friend.
