“ We know Ed from Concordia Lutheran Church. He was always smiling and dressed impeccably. He sang in the church choir and would always take the time to stop and talk with you. Our prayers are with you during this difficult time. May your memories of Ed comfort you and give you peace. Kathy & Gerry Haslwanter

“ It has been my pleasure to know Ed as a loyal member of Concordia Church and the choir for many years. Have always admired his ability to come up north from Oak Forest on Sundays to attend church & participate in the choir. We've missed having him around as much these past few years. My deepest condolences to Ed's family at this difficult time.....from former fellow choir member, Ruth Thiede

“ It was terrific to have Eddie in my life and was an honor to consider him a friend. If there's one thing I know, it's that Eddie is in heaven with his wife, many loved one's and near Jesus. What a guy ...

“ My sympathies are with the family. Eddie had a beautiful smile, an infectious attitude, and a loving heart. He will be sincerely missed at American Mattress, and I shall miss the upbeat, happy phone calls that brightened my day every time we spoke.

“My condolences to the family. Eddie and I were coworkers at American Mattress, and we talked on the phone nearly every day when we were both at work. We were also practically neighbors. We lived about a mile and a half from each other in Oak Forest. I had been to his home a few times. I was proud to call Eddie a friend and am sad knowing he left us so abruptly; but I am content knowing he's in a better place. I'll see you again someday, my friend. Again, my sympathies go out to his family.”

“ Uncle Butch played football at Kalamazoo college. I remember how exciting it was going to a game as a teenager with my family. When he was done with college he got an apartment in Chicago and invited his nieces one December to decorate his Christmas tree. His apartment was a bachelors mess, but we had fun. He taught us how to dance the boogaloo, jitterbug, cha cha, swing, and the twist. He loved to dance at parties. He sold cars for many years and my dad, his brother, bought a few Fords from him. I always looked forward to seeing him. Be free Uncle.
