“ *To the Auriemma family,
I am so sorry for your loss and extremely
embarrassed that I did not know of your
mother's passing.*

*I will never forget growing up with you on 19th
and then on 12th. As children in grade school and high school we
thought those were the difficult times. Then life slaps you hard in the
face and we start to lose all those that we once loved.
May god continue to watch over you.*
