“ *I am so sorry to hear that Fernando has passed. I was Fernando's bunk-mate in Germany. He was always a great man to be around. I have a lot of great memories of him. We spent a lot of time drinking and joking around. There are not to mini men that i would take a built for but he was defiantly one of them. I will always remember him..*

“ *The world has lost a good man, a great son and little brother.*

*There's nothing that can truly soothe a parent when they lose a child; or a sibling who loses the baby in the family, it's a tragedy that's beyond compare!*

*As a family, we will always have such amazing memories from sports (the mom squad), family gatherings, birthdays with Ike and Tina. I am so honored God saw fit for all of us to assemble two days before the September incident at Maggianos to celebrate, talk, enjoy and love on each other. We are equally proud as time went on as a village to have been by your side through it all.*

*Goldie you know I will always take care of mother, the family and continue to carry out our top 5 and bottom 5 roles and wishes. Rest in Heaven my brother, I got things here and know my role. Until we meet again!*

“ Goldie, we were more than in-laws, we were best friends. I’m gonna miss our nights of spades games and talking about PSM. We shared so much and everyone needs to experience the in-law love and care that we had. Rest well and know that we got Tosha, Carl, and Nay.
