VO

“ Sorry to hear of the passing of Frances. She lived a long life and loved her family greatly. She was a loving mother and grandmother and especially to my daughter Kimberly and I am grateful she stepped in and spent so much quality time with her when she was younger I know my daughter loved her dearly and she will be missed by many. CM

Many of my childhood memories include Gram at the house on the weekends. She was everything a grandmother is supposed to be. Thank you Gram!
