“ *There are no words to take the pain away. Frank has been like a brother to me since I was 8 years old. He was best friends with my brother Joe & there are so many good memories. Under that tough guy image, he had the kindest heart. He was ALWAYS there to help anyone & guided us through issues with my brother Sam. He was ALWAYS there for my mom & family. This is just so heartbreaking. Frank, you will NEVER EVER be forgotten, and I know you are not only with your loved ones, but with your brothers Joe and Marv. 💔💔*

Condolences to the entire Costa family. Sending prayers and love.

“ *Jeanne and Family, please accept my sincerest condolences on your loss. I'm sure that you probably don't remember me, however, I grew up with Frank and the entire Costa Family in the old neighborhood. Please extend my sympathies to all of Frank's family as I'm sure they all will remember me. I'm very sorry that I can't be there to extend mi condolences in person.*

“ Frank was more than a friend, he was and is a member of my family. I met Frank when he came out of the military service and started working for my father. I was younger and he took a liking to me. We became friends and coworkers over the years driving trucks for my father and later on the police department. Frank was my sgt. And commander and was always there for myself and my family on the job and off. Had a lot of good times.
Frank Costa will be truly missed BUT NEVER FORGOTTEN
Frank and his family will always be in our prayers

“ Frankie was a great brother and friend. We met while he was off injured after being shot, and truly didn't culminate into friends until I made Detectives. We had lunch almost every day for 7 years and I learned who Frankie truly was about. He had a rough exterior but a soft, kind heart who he would do anything for if he liked you. On the street, nobody was tougher. Nobody messed with him and he would be the first to back you up.
Frankie you are loved and will be missed. Prayers to Jeanie, Joey and Frank. A piece of my heart goes with him.

“ *There are not enough words to express my gratitude for Frankie. He met my brother Joe in grammar school in the late 50's and the family bond began. As Sicilian immigrants we were blessed to share our mutual family heritage, love and respect for each other. We remain with the best memories and will continue to honor the ones we have lost over the years, our parents and family. Many prayers, blessings and love to the Costa family as they go thru this difficult journey. Frank now your light will shine in heaven.*

*No truer words spoken. The first friend to my dad coming to America, introducing their mothers, the siblings becoming best friends, resulting in a bond for over 60 years. The greatest gift our family could ask for.
