“ Dear Linda and Family,

I am deeply saddened to learn of Frank's passing. He and I worked together on many projects in the past. Frank possessed solid technical aptitude. He brought significant wisdom and insight that delivered real value to our company.

Above all, Frank was a good man and a good friend. He loved and deeply cared about you and his Family. He often spoke of the vacation plans involving the grandchildren. The plans were only topped by his recollections of the trips that he and I often discussed over lunch.

At this difficult time, I pray that God brings comfort to your Family. Please know that he was loved by many. May God Bless you and the other members of the Guzzo Family and bring you peace. May God welcome Frank into His loving arms.

I am sorry that I will not be able to attend the visitation or Services on Monday but please know that my thoughts and Prayers are with you.

I remember meeting Frank when we were 8 years old. It was my Grama Spata that introduced him to me when he first moved in next door to her. At the time, he didn't speak any English, but he knew that we were both shared the name Frank. That day we rode our bikes together and became lifelong Friends. I'm saddened by his passing but forever grateful that he was a part of my life. May he be at peace with God. 🙏💜

“ *To The Guzzo Family;*

We express our Sympathy and Prayers. Frank has been a life long friend and the BEST neighbor anyone could have, His concern and safety for us has been greatly appreciated. Frank would do anything for anyone... his kindness for others went above and beyond... I will mostly miss him giving us all his home grown vegetables from his garden. Rest in Peace Frank....you will truly be missed..
