“ *Dear Novelli family, I have am in udder shock of the news I just heard. Frank and I use to do auto glass together and he helped me a lot. We kept in contact from time to time and usually when I slow down he was always there to give me a lifting hand. He always spoke high of his family and always invited me to the taste of Melrose park. He showed me how good Gene and Judes was and I always took a pic and sent it to him when I was there and he would say "thata boy mikey" He will truly be missed. My dear condolences, I wish I knew earlier so I can see him one last time.*
