“ *To the family of Frankie; our deepest sympathy for your loss. We have known Frankie since we were kids living across the street from the family. He will be surely missed by everyone for he was kind and thoughtful and fun, too! Feeling very saddened, but he is now at peace. Ralph & Dianne Ravanese*

“ Uncle Franke,
The picture here is so fitting. You always had the kindest most welcoming smile, you always cared so much about knowing what was happening in our lives and so genuinely sacred. I have so many memories of you and our time with you. I am so grateful that I was blessed with so many years of my life sharing in so many traditions with you.

Melrose Park for me growing up was my roots and your house has memories I will take with me forever. I am so sad you are not with us anymore, but so happy you are at peace. I am sure there is a whole army of Spiezio's led my Auntie Carmella waiting for you there. Give them all a hug.

Love and hugs to you.

Love you and miss you.. xoxo Deanne

“ *My Dear Godfather ,
 You were such a kind and gentle person . You always had a way of making everyone feel special . You took the time to talk and ask questions and truly be interested in our personal lives . Even in your final years at the Villa during my few visits you never failed to ask me about my family and how everyone was . Heaven just got a little brighter when you entered the gates.
 We will miss you dearly , but we know that you are in a better place with so many loved ones and friends . Thank you for all the treasured memoriesI love you
