“ *I remember the first time I met Fred. I was working at the Village Green on 103 Street back in 1988. I told him I was moving to a house on 97th Place and he told me that's where he lived. My son, Christopher and his son Joe became friends. He was a good neighbor and even though I haven't seen him in a while since I moved to Southern Illinois, I will miss him.*
