I am so glad I got to see you at Rocio's wedding and caught a special moment with your mom and you. Your mom smile shows how proud and how much she loved you. Rest in peace. You will definitely be missed*

“ My Dear and Beloved Nephew,

*Tell me how am I suppose to live without you. I will miss your hugs and sweet smile. You were so charismatic, loving, and fun. You could light up the darkest room and make the most boring event a fun one. My heart is broken. I loved you since you were born and we spent 44 years of your life growing up together and making the most beautiful memories. May you rest in peace. I will miss and love you until we meet again.*
