“ Oh, Geri, you are already so missed. December will forever be a difficult month, you, your partner in crime Richard, and my mom. At least I know where you all are. It's almost my last link with the Pacenti/Pacente families. How lucky for me that you were my first friend. So glad we had some time together in the last couple of years.

Healing thought to your family, brothers and their families and your cousins.

*hugs to all
