“ *Mi amor no sé qué decir que no te haya dicho ya en lo que llevamos juntos supongo que no hace falta que te recuerdes lo mucho que te amo , lo mucho que me inspiras con tus sonrisas y tus abrazos , con tus besos que me transportan a otros planetas . Con los sentimientos que desbordas cuando tus manos rozan mi cuerpo . Te amo y te amo por todo lo que eres capaz de hacerme sentir , por qué no hay en el mundo gente capaz de as tanto por tan poco. Por qué tú no eres sólo una persona maravillosa , sino que además eres una persona que haga lo que haga siempre acaba creando maravillas , una persona que construye mundos con una sola sonrisa . A ti mi vida mi amor mi Sugar , sólo puedo más que recordarte una vez más que estar a tu lado . Eres lo más increíble que me ha pasado nunca y que espero que deseo y rezo que nuestro amor dure para siempre.*
Mi Amor , mi sugar

“ I will always have the memories of her on my visits to Tony and Lety's house. She always dressed impeccably never a hair out of place , her laughter was contagious, the love that shined in her eyes for her husband and those big sparkly eyes of hers. Are but a few things that will be missed now that she is at peace. She will , forever be mi munequita. She will always be remembered.

“ *You were the best disguise as gods angel for sure. One thing I'm not really good at are goodbyes... If I would have known the last hug i gave you would have been the last, I would have never let go. I appreciate everything you have done for me and the family throughout the years. Thank you for all the childhood memories. You treated me like your own two sons. It was almost too good to be true. I remember everytime you said " hi hijo" or "hi mi amor". I always admired the way you looked into my tíos eyes with love and would kiss him telling him you love him. I told my wife you guys were the best couple. I even told myself I wanted a woman to look me in the eyes and love me like you loved my tío. You will definitely be missed my tia. I will try to be their for my sisters the way you were their for yours (my mom) I promise to never forget you. Forever en mi corazón mi tía. I know you're in a better place smiling down on us telling us everything is alright. This isn't goodbye, this is I'll see you later tía...*

“ Gloria was more than my sister in law, she was my sister, a part of my family who I grew up with. I have many memories. I remember our last conversation, I told her how much I loved her and was looking forward to hugging her again. My hope still stands, I will hug her again 💖
