“ RIP Harvey! It was great knowing you. You always had a smile on your face and easily made everyone around you smile. Met you in high school, but got to know you even better after our days at KP, when we played flag football for Maple Lanes. We had some good times on Sundays after the games. I'm unable to attend your service because of a recent shoulder surgery so I send this message. My condolences to your brother Mike, your daughters, and all your family. I just saw you in November, so it's hard to believe your gone. One is guaranteed tomorrow.
So long friend. Gene Oestmann

“ *I am so saddened by Harvey's passing. What a wonderful and loving person he was. I remember being much younger and the great times Harvey, Margie, my husband Ralph, I and of course our then very young daughters Arielle and Samantha had together. I know he will be truly missed. My deepest condolences to his family, especially his daughters Airielle and Sara as their lives without their father will never be the same. Rest in peace Harvey. Sending love and prayers to all who are hurting during this very difficult time. ❤️*

With much Love, Amanda

In the last 10 plus years I have known my Homeboy, Brother Harvey he and I have connected and looked out for each other as Family. All occasions and sports BBQ and just to sit and have a few games of Dominoes that man has always been Honest. Respectful and caring ❤️ . I introduced harvey to many other friends that also seen the good man and kindness loving person he is. My heart is so Hurt by this terrible tragedy, I always check up on him and looked out for his well being. The day he passed I felt something wrong since he didn't respond to calls or text . I alerted mutual friends about him not responding so I went to his house knocked and called at his residence where he was found unresponsive after door was opened. The pain of losing my Bro is really a tough pill to swallow and I can only find comfort in knowing that he has already made it to gods kingdom in Heaven. I will forever hold you alive in my heart and carry your kindness and happiness you always shared throughout us all and keep you in my prayers 🙏. God Bless your soul for ever , you may not had been the wealthiest person financially but you were rich in love and a heart of gold and that is priceless ❤️ . Rest easy my Dear friend brother famo . Prayers go up and Blessings come down 🙏. Amor
