“ Although we won't be able to be there, know that our thoughts and prayers are with the family and friends of a great guy. He was the best neighbor anyone could ever have. He was so kind to our Mom..... she never could have had her wish to stay living alone in her home without that kindness.

There were so many good memories from my childhood on. I remember one day in particular. November 20, 1958. Jack, with his dark green 1953 Oldsmobile, took me to the Secretary of States Office in River Forrest to get my very first Drivers License. He worked on an old Model A coupe in his garage, an old Triumph TR-2 sports car, and helped me become the "gear head" that I remain today. He was an important role model for me!
