“ *To the Teresi Family,  
My thoughts and prayers are with you at  
these most difficult times.  
I wish we can go back to the times when I  
thought life was difficult. You know; Like will  
there be enough snails for the feast? Maybe my dad is telling your  
boys stories about the good times. I hope so because the brings  
some solace and a smile to my face at this time.*
