“ *I've known my brother-in-law Jim since I was 12 yrs old and he started dating my sister. He started out like my older brother, then he became my friend. In all those years we never had a harsh word between us, but we shared many laughs. I visited him many times after he was injured. We talked about many things from 40,50,60 years ago and laughed. If you measured in money the friendships my sister Anita and Jim had, they were billionaires, + a great daughter. I hope my sister won't be lonely anymore.*  
*Love, Larry*

“ *We were friends for over 60 years and I can say for myself and my deceased husband that we shared MANY good times together over the years. It's sad to know his life is over but I could bet that him and Anita are happy to be together again. Bless them both. Sincerest condolences to you Annamarie, and to all your family and his friends that will be missing his presence in their lives.*

*The yellow candle is for the good memories Anita & Jim had in Naples, Florida. We enjoyed our visits with them on the beach and at their condo. Thank you both for all the laughs and good times. Forever in our hearts and now you are together again! Our sincere sympathy to Jim's family. Love and God's blessings, always!*
