“ *Sympathy and prayers to Roslyn and entire Scardino family. Our Cousin Jim lighted up the room with his smile at family gatherings growing up together as kids. He was always creating laughter in the group. Good memories from our childhood on Fairfield Avenue always include "Little Jim." Prayers for you to rest in peace with those who went before you. “ I want to say how very saddened I'm to hear of the passing of Jim Scardino he was to me a very sweet and kind young man whom I knew from my High School days. Days of sharing laughs and fun with him and his beautiful young girl and then wife, my dear friend Roslyn. I am sure he will be greatly missed by his sweet wife and family for all that he was; a loving husband and father. May the soul of this dearly departed rest in peace. Amen. And, when Heaven comes for its faithful may we all be together there. I pray for God to Bless and keep those Jim has left behind and with the divine grace of Jesus Christ, you will all endure through the sorrow and grief to brighter tomorrows.
