“ *Worked with Jesus at Komarek for over 30 years and it was a pleasure and honor to work and know him. He was one of the nicest people that i have ever known he will be missed by everyone at our company. I wish i would have known about his passing when it happened. God bless and rest in peace. *Thank you Ken or like my Dad used to call you Kenny. I appreciate your thoughtful words and I know many of the people at the company that worked with him do miss him but I also know a handful of people who made his life difficult and they know who they are and I hope God forgives them and has mercy on them. It was a very difficult time and we decided to keep it private I hope you understand. Thank you again Kenny. His daughter B.*
