

Mr John Benedetto

March 14, 1941 - December 9, 2025

Beloved Husband of Bernice Benedetto; Loving Father of Tricia (Dave) Bush; Cherished Grandfather of Andrew and Carson Bush; Loving Brother, Uncle, Cousin and Friend of many. John proudly worked at the Matsushita company in Franklin Park and then worked for Triton College until retirement. He was proud of his World Series of Poker achievements, loved hanging out with his grandchildren, never stopped trying to master the game of golf, and always made everyone around him happy. There will be a celebration of life in the new year.
