“ John shared with me some stories of his time at GT, Notre Dame and changes in our larger world. Speaking to him, I understood that his faith was such an important part of his life. When John laughed, because of his extraordinary mind, it was a very informed and educated musing. If anyone is interested, I do have funny stories about this great man. If you're reading this from above, John, thank you for all that you have done for us. - Tom Justice (tomjustice70@gmail.com)
