“ *Well, Joey...you took care of your children, your sister, your Dad. And now, God is taking care of you. It's time to rest. But knowing you, you will still be alert in the early am watching over your loved ones. Keep smiling down upon all of us. Deepest Sympathy to his children. Dianne co-worker Melrose Park Post Office*

“ *Wow, what a shocking piece of news. I feel terribly for his children. I grew up with the Braccos and so sad to hear what happened a year or two ago. Far too young, My heart goes out to his family. RIP.*

“ Joe, so many memories! So many laughs we've shared! So many nights we partied! So many times I would be there for you and you for me.

And now...so many hearts are broken with your passing. May God Raise You Up On Eagles Wings Buddy!

“ Joe, You were such a great guy with a huge heart. ❤️ You worked so hard and honestly you were the best mailman I have ever had! I'm so sad that you didn't get to enjoy even one day of your retirement... after all the hard work you put in. It's just not fair. 😞 I miss your smiling face, your great hugs, our long phone conversations, your cute text messages & watching hockey together. _/ I will cherish all the wonderful memories we shared, until we meet again. Rest easy now... you are finally at peace. Love, Debbie

“ Joe, my heart is breaking right now. I've known you for 28 years. I grew up living next to you my whole life! You were always there for me when i needed someone to talk to. My kids always loved going next door and getting popsicles from you. You were like a second father to me. I will miss you so much! I love you with all my heart! Until we meet again! This isn't good bye. It's see you later. I know you will be watching over your children and grandchildren. You always gave so much love. You will never be forgotten!
