“ Joyce, I am so sorry and feel bad that I can't make it to the church Thursday because I am out of state. I was friends with Joe since I was 15 yrs old. Even though I haven't seen Joe much in the last 40 years, I still consider him one of my best old friends. Back then it was Joey, Louie, Joey (Frog), Buddy and me. Now I'm the only one left and it breaks my heart!

One thought comes to mind: Back then we were very foolish and very cocky. We thought we were indestructible. One time Joe said he'd go count our rivals. We asked how many and Joe said "17". But there were only 6 of us. So what do you think Joe said? "Let's do it!"

Joe asked everyone to go with him to join the Marines. Everyone said, "He'll no!" But I said, "Let's do it!" Obviously we never did. So I imagine someday the old group will all be together again.
Love, Larry
