“ *Joe was at the lunch table at LSSI for the last part of my time there. I enjoyed his company and kindness. He is one of the people from LSSI that I missed most when I was laid off in 2013. A sweet man, and so devoted to Terri.*

“ I also had the privilege working with Joe at MPC. Joe was my 1st boss at MPC he was awesome. Joe always had a very positive attitude and a wonderful smile. Joe also came every year and walk with us for the Relay for Life. Joe still came to the walks after he lost his wonderful wife and soul mate Terry. Joe always reminded me his first date with Terry was my wedding and that was over 25 years ago.

Joe you will be greatly missed.

*Love you

Joe & I started MPC the very same day. What's even a bigger coincidence, I eventually moved to Berwyn (still there); I later found out Terry's house was right behind me over in Cicero. There will never be another person like Joe, one can only strive to be like him. Thanks for letting me use your front porch to watch the Morton fireworks, Joe! I know he is with his beloved Terry in heaven. God Bless them both! I will miss you, but i am honored to have known you.
