“ *Just wanted to send my condolences to Lindsay, Jennifer, and Leslie during this difficult time.
The three of you still have Pammy and Gary and the rest of the family, looking out for you...*

We often hear about people who had a courageous battle with illness.

I would say both of your parents- did just that their own ways.

And they both won in the end.

It may not seem that way now. But later- it will.

For whatever is born of God overcomes the world; and this is the victory that overcomes the world, our faith.

“ *Joey was real Melrose in heart and soul. When we were kids he kept the older guys from picking on me from time to time just as though he was my older brother; he too did his share of teasing, but it was all in good spirits. I knew him through Little League and then later, through his wife Jackie, whom I knew from very early childhood living on 18th. Memories of the both of them hm will live strong in me. My condolences to the family.*
