“ *My deepest condolences go out to Joey's family. I know how much he loved them all, Especially his sons, Joseph and Anthony. Joey would talk about them to me every time I saw him. He would show me pictures. He was very proud of them. And then there's Sweet Leanne. He adored her. She was the love of his life. I pray for all of you to stay strong and remember the great memories. God bless Joey. I will miss him.*

I haven't seen him in a very long time but I have many unforgettable memories of him. May God give you all the strength and courage to get through this very difficult time on the loss of your father, son and brother. Rest In Peace Joey.

“ Family on Main Street and Pepe's sons & friends.....

This is Michael Grandinetti (Tessie's Son).

There are no words for such a loss.....my heart, my thoughts & my prayers go out to each of you. Dear Junie.....I know the pain in your heart is too much and I am sure will never go away. Having a son of my own.....the love we give our son's.....the dreams we dream for them.....how we always worry.....from when they are little until they grow....we keep them in our heart. “ It was a pleasure to work alongside Joe at Hub. He taught me so much and was one of the very few people I could relate to at work. He was one of the funnier guys I ever met and I do miss him working here and his humor. I remember he would very often share how proud he was of his son's baseball games. My condolences to his family during these trying times.
