“ *Sorry to hear about Joe's passing. I worked with Joe for many yrs at American Airlines. We had lots of fun together working trips and over lunch time. He was a great guy, and always had a smile on his face. I wish his family the best. Remember the sun is always shinning. All you have to do is get on a plane and get above those dark overhead clouds.*

“ *To Carmen and Joe's Family;
My deepest sympathy . The last time I encountered Joe, I was waiting to board a plane to San Francisco. A handsome young man in a red blazer approached me.
Hey Krist Samata, How ya doin. We talked a little, he said "Wait here" he comes back,
I assigned you to First Class. He was a great person.

I didn't know he was sick but I'm so sorry that I did not hear about his week until after the fact. Losing my husband 10 years ago was not easy and this is not going to be easy for any of you let's just remember all the great memories you have because he was a good man. “ *Joe and I were neighbors and coworkers at American Airlines and Hertz. I'll never forget the time I was a few hours from boarding an international flight and discovered that I had left my passport at home. Joe picked it up from my house and brought it out to O'Hare for me, a kindness that I've always remembered.. I'm saddened to hear of his passing.*

“ Joe was one of those patients that made work feel less like work and reminded you of why you chose to do what you do. I'm grateful for the time I got to know him and his sweet smile will always be remembered.
