“ Our deepest sympathy to you and your family, Jim. I do have to say she made quite the impression when she was nice enough to come to my sons School of Rock show with you to cheer him on and enjoy the live show-I want to say it was a Led Zeppelin tribute, so fantastic-she loved it! Just from that encounter I knew she was something special, with such a zest for life and love of family. Cheers to a great lady and a life well lived. The Mosher family -
