“ Oh how I love Josephine! I met her in 1971 on Pass-a-Grille, Florida...I was responding to an ad in the window of Dino's Other Place restaurant that would soon be opened by her step-son. Truthfully, I believe we were family immediately...I was hired and loved working at the restaurant and helping out at their other restaurant in St. Petersburg. I was blessed to meet her precious daughter, Linda and we are lifelong friends. Josephine not only fed me well, she was always so funny and very protective of her family. My heart was broken when they moved back to Chicago, however, I fully understood. Over the years, as the child becomes the parent, the love and respect that Trisha, Linda and their husbands shared with their mother is heartfelt. My visits to Trisha's home and Linda's assures me that I am part of the family and today, I know that Josephine opened her eyes in Heaven, a blessed woman to have cared for three daughters, her grandchildren and great-grandchildren and so many others. To her brothers, her children, grandchildren, great-grandchildren, friends and family...blessings to you as you celebrate Josephine's life....my thoughts and prayers are with you. Linda is truly like a sister to me....give her a hug and kiss from me...she too, has the gift of sharing so much laughter...just like her mom!
