“ *Uncle Bob I can not tell you how sorry I am with the passing of my Aunt....I loved her with my heart and sole...from the moon and back again....I remember as a child our trips to the store...and as we were walking I would look up at her and think "what a beautiful person she is" ...Her smile and kindness will stay with me always...the pain is gone...she is at peace...she is holding Uncle Mikes' and my Mothers' hands now. All My Love....Michelle*
