“ *Nick: You surely know your Sister, Julia was an absolutely wonderful, an outstanding secretary, loyal, thoughtful, giving person! Next month would have been 47 years ago that our family had the pleasure of meeting and benefited from her talents with the start up of the Triton College new educational program Restaurant Training and Food Services operational program! We had a lot of fun moments woven with many long hours of work! Not having a current address; Please check with the Carbonara Funeral Home for a memorial gift that our family will establish in Julia's name. With love "Joe"*

MA

Julie you will be missed so much by me. I will miss talking to you every day and watching our programs together on the phone. Thank you for your kindness and always being there for me. We have a lot of great memories together over our 48 years of friendship. We were very lucky to have been such great friends. I am so happy that you can rest peaceful now. No more injections or medications. Be happy with your Mom & Dad! Miss you and love you, Mari-lynn
