“ We knew Kathy as the most hard working server we ever had...Kathy was with the Rosewood from the beginning (thank God!). She was so friendly and personable with the staff and all of her regular customers. When she had to retire for health reasons. It was like you were missing a best friend.. She always had a smile on her face. She was part of our Rosewood family..
We always made a point to stay in touch with her. Just a couple of weeks ago, she called to tell us how happy she was for our newest granddaughter. It was good to hear from her..
Like everyone, we are shocked, saddened and in disbelief that She has gone to heaven so soon. We will all miss her. We send condolences to her family. May God rest her soul and may you always remember her with love.
She was the best!

“ She loved going to see Piano player Lorie Line. She loved to relax to her CD's. She's even in the video for a PBS special. We were sitting right on the aisle when the musicians came in! Great weeken trip to Minneapolis.
And she made the best birthday cakes for everyone! I'm going to miss you so much Kathy. So many fun memories.

“ No words can express what a huge dent your passing has left in this world. You were a woman of integrity and warmth. May God keep you and may you finally be at peace. You worked so hard for everything. You raised a beautiful family and held friendships dear. There will never be another quite like you. Thinking of you being gone makes my heart sad. Sending love and prayers to your family at this time.

“ It saddens me greatly to have lost a great friend and second mother to me. From the days at Rosewood to going to Rogs listening to Tony Ocean and dancing, all the plays and parties to my last dinner with You and my mom at Hugo's just a week ago (3/31) and then playing the slots at Rivers and You winning. I have so many fond memories that I will always hold close to my ❤️ There will never be a lady of your style, class, personality again. I love u and will miss you tremendously.
