“ *I've known Leo since we were children and I remember helping him
learn the welcoming speech for a play at school. We worked on it
for days and 6 year old Leo performed flawlessly, his father was
very proud! These were his lines:
Dear Friends,
We're very glad you've come to hear us speak and sing,
And we will do our very best to please in everything.
Our speeches we have learned,
And if you'll hear us through,
you'll see what tiny tots,
If they but try, can do.*

We were truly blessed when Rose brought Leo into our family 35 years ago. Heaven's new resident was one of the best people I knew. I will always have wonderful memories of him.

Leo was a dear friend to everyone and it seemed he knew everyone. You could not go anywhere with Leo without him finding someone he knew. He loved to talk and remember his life and share his many stories. Probably the last person in our family who spoke Italian. I will miss him so much.

I met Leo while we were both working at Republic Flow Meters on Diviersey Ave., in Chicago. We all had great fun at work. Although it was many years ago I rember the laughs we had. There was a woman named Charlotte who Leo would constantly tease (good natureally) it was a very different time for working people then and was great fun. A man that Leo was great friends with at work was Sal Barbaro. We did see each other occasionally at the RFM's reunions but eventally everyone got to old. Happy to read that Leo remained loved and highly thought of though the years. With my deepest sympaty to all of Leo's family and loved ones. Alyce Gifford Taxe
