“ *Dear Russ, Our deepest sympathy for your loss. Lee was a wonderful, caring person. I remember when she would call my mom just to check on her and reminisce. My mother always enjoyed their talks. She even would call me when my mother passed. She was the backbone of the Angelico family by wanting to keep the family together and making sure everyone would attend Angelico picnics. She never wanted anyone to be left out. She'll always be in my heart. Love Karen Manganiello Krenn*
