

Mr. Lester Eugene "Timmy" Edens

July 5, 1937 - May 6, 2021

Lester Eugene (Timmy) Edens has left us to join his mother Sally, step-father Tony, older brothers Wally and Orrie Edens, as well as his older sister Betty Olmstead, leaving behind his other older sister Caroline Adornetto, and remaining older brother Jack, along with a rather large contingent of adoring nieces, nephews and their families. He always said that he was born on the 4th of July, and celebrated it as so, but a misprint on his birth certificate, (according to Tim) celebrates him officially arriving on July 5, 1937.

Following a brief stint in the army, Tim worked all of his life, mostly in family owned businesses, where he could be found behind the service counter, originally at Pope's Lawn and Garden, then later at Universal in Norridge, sandwiched between those two stops, he appeared in all of his leisure suited glory at his own place, Pope's Garder of Eden, and later at Orrie's of Wheaton. His final engagement of many years was at Allstate Arena, until the covid shutdowns temporarily retired him.

We lay him to rest with the knowledge that his next destination will be a place with more fish that he could possible fry, and the ability to know how much he is missed, and how much he is loved.

“ *To Tony, Chris and family. I'm so sorry for your loss. Tim was a wonderful hard working man. He will be missed at the Allstate Arena. He can cheer from up high for his Wolves. He was a stand up man. I'll miss knowing that he will not be there in a few days when we go back to work at the Arena. Keep fishing Tim.*
