“ Got to know Louie when we moved into Sun City Neighborhood 28. He was a welcoming MC as we blocked the streets and partied. He had the best garage environment in Sun City, and everyone who slowed down was invited to stop and join the guys. It was great to have him as a Brother Knight of Columbus. We moved to Neighborhood 19 and were reminded not to be a strangers. We are saddened by his passing. Here in Florida we will pray for Louie as well as for the strength and courage his family will need at this most difficult time. Peace be with you. Frank and Pat Rzeszutko

On the day we moved in Louie came over to welcome us to the neighborhood and immediately invited Bob to join the College of Knowledge. He was gracious, funny, considerate and welcoming to all. To everyone's amusement he had a poem or impromptu verse for every occasion. We couldn't have asked for a better neighbor and friend. He will be greatly missed.
