“ *Dear Linda, Jeff and, to the family:*

I'm sorry to hear about the passing of Grandma Lolly. I fondly remember her as being the life of the party, bringing smiles to everyone she encountered.

I'll never forget the time she and Aunt Teresa were drinking vodka out of a watermelon at Erik and Heather's year before the wedding party. From that day, I knew she was an extraordinary lady. I'm sure the happy times will be missed by everyone. Remembering her will always keep her close at heart. I know I will be always remember my time being around her.

I want you to know that you and the family are in my thoughts and prayers during this difficult time.

*With sympathy,
Sheila Settles (Friend of Erik and Heather)*
