“ *I was just today telling my kids, one of whom is in 1st grade, about my 1st grade teacher named Ms. Pizza. It occurred to me to look her up and I am so saddened to learn of her untimely passing. I believe I was in her class her very first year of teaching at Washington School in Schiller Park (1982-83). She was young, sweet, beautiful, and adored by her students. I can still remember how she encouraged one particular boy who came from a tough family situation and struggled academically. I also remember coming to school the day after having my hair cut short and being picked on by an older kid. Ms. Pizza cheered me up by pointing out her own short hair and complimenting mine. My belated condolences to her family. She sure was a gem.*

“ I met Linda, Jim and her family on Christmas Eve a couple of years ago at Greg & Judy's.

*Christmas eve gathering. It was a nice to see such a close knit family all together. She was a loving wife, mother, daughter, sister and aunt., and all that knew and loved her were truly blessed. She did leave a lovely legacy, her 3 daughters (Rosalie, Angela & Francesca)., and for that reason the families will heal and continue life as she would want them to. May the Pizza's and Inendino's fine comfort in knowing that I care. Love & Prayers, Sharon Bury*
