“ *My condolences to the family on the loss of Lee. I was truly sadden to learn of his passing. I worked for Lee in the late 80's at LTA. It was my first "office job" and I was a small cog in a large wheel, but Lee always made me feel appreciated and of great value to the company. I have many fond memories of those years and of Lee. God's peace.*

Dear Jan and Family,

*We are heart broken over your, and our loss.
You and Lee were very, very important to us.
I can not even imagine how you feel at this time, because I know that we ache with the loss of Lee. We can only offer our sincere and loving condolences to you all. May GOD bless you and watch over you.
Maybe the family can find a small amount of comfort knowing that Marilyn and I will watch over Janet, and be at her side, if she needs anything, at a moments notice.*

With a very heavy heart, we wish you all of our blessings in the future.

I am heartbroken to hear that Mr. Valli has "left the building". He was the nicest, most upbeat, positive thinking man I knew outside my dear Father, George G. Duncan. Mr. Valli was like a father to me after I lost both my parents and had no family. I loved working at Land Title in Hinsdale; it was my first real job after graduating from paralegal school. I went on and made a decent living from all the knowledge I gained working there and all the opportunities afforded to me to learn the business there at LTA.
