“ *Hi Wilma and family-So sorry for your loss. Lou was an awesome guy. I remember the times we got together when Uncle Sam, my dad and Lou brought down the house with their jokes and stories. Heaven received another angel and I'm sure he's keeping them all in stitches up there with Uncle Sam & dad. Take care.*

Deepest sympathy to your family. I met Louis when I was a little kid riding my bike though the factories in Lincolnwood (mid 70's). Wonderful person who built me a couple saw horses for my first train set...
