“ Joey,
My condolences go out to you and your entire family. I will never forget working with you and your dad on projects together. He made the hard simple, my job easy, and it was always fun working with him. Wasn't hard to have a few clear ones with either! He will be missed. Guys like your Dad don't come around often, and it seems they leave us too soon. It seems strange that the last big project we worked on together is where I will say goodbye to him. Dave Schulz

“ I am so glad to have known Luca! He always talked so highly of Joey, Gina and Alyssa! He was so proud of all of you! Know how much he loved you! He absolutely adored Sophia and was always showing pictures. He was so good to his girlfriend, my sister, Patrese. Luca, know you will be missed so much! Rest in peace

“ *Dear Joey, Gina and Alyssa. our prayers are with you. Luca and I talked at the dealership quite often, even last Thursday about how proud he was of all of you. Know your Dad loved you all.*

Luca, you were a bright light for the 9 years I have known you. I will miss your jokes and ideas you always had for us. I speak for all of us at Cucci Ford and NMI you will be greatly missed. I can't believe you are gone but you are in a better place and we will meet again my friend. Until then.
