“ *The Mamolella family wishes to offer their heartfelt condolences to Madelene's children, family, and friends upon her passing. We have had the privilege of knowing Madelene for almost 60 years, through our mom Betty, one of her closest and dearest friends. Madelene would often say that Betty was like her own sister. They were blessed to call each other friend. They talked nearly every day. After our mom passed, Madelene, being the loving friend that she was continued that friendship by communicating with us every week for 8 ½ years. She would say that she was praying for our family and we would thank her for being the prayer warrior that she was. Our family was so touched. Madelene was a woman of deep faith. She was devoted to her husband, children, grandchildren and great grandchildren. She was someone you wanted as your friend. To live in the hearts of those you leave behind is not to die. Madelene will live on in our hearts forever. The Mamolella's.*

“ *Madeline was a dear friend of our mom Angie. While we were growing up - she was around often enough for us to love her and admire the way she loved her own family! Prayers and thoughts go out to you all.*
