“ Gina, I am so very sorry for your loss.

*We were all very lucky to have had Madeline in our lives and as much as she will be missed by us all, she will remain with us all, every day, as long as we can remember. We love and miss you Maddie, past, present & future.*

*And to you Maddie, they say that only the sky's the limit, so I believe you went to research it before us. Have a great journey up there, honey. I'm sure we'll meet again. Love you.*
