“ Matt & Eugenia, Maria was a beautiful person inside & out. She loved you both so much. I remember the first time that Maria brought baby Eugenia in to meet all of us at HR Direct back in 2010. Eugenia was so tiny.

Maria talked often & fondly of her family & love of Italy.

I worked with Maria for 7 1/2 years. So many wonderful memories.

Matt, Maria loved when you would stop in with Eugenia, especially at Halloween. Maria was so happy & beaming when she walked Eugenia around to see all of us. I will remember Maria's smile & laugh, and her love for you & Eugenia.

Heaven has gained a beautiful angel. I know Maria will be with you & Eugenia always in your hearts. I pray for you and your families, that God will watch over you and give you peace & strength during this most difficult time and going forward.

God bless you all.

“ Dear Matt, Eugenia and all the family, I can't even imagine how hard this time is for you. Maria was such a beautiful person inside and out. She filled the room with happiness and laughs. Her stories about being Italian, or how she started working at Advocate (because she loved Advocate), and about you and her baby girl... she loved being a mom.... this will be missed so much. Many blessings to you and Eugenia for peace and comfort to help you through the coming days. I'm gonna miss her, Brenda

“ Maria and I have worked together for over a decade now. We would chat everyday about our families, activities we were doing on the weekend, and shared many many laughs and tears together. Maria always had a smile on her face, even through the hard times. She loves her family so much and couldn't wait to show the latest pictures of Jenna. Her life was full of love, friendship, and happiness. My prayers will always be with Matt and Eugenia and the rest of her family. I will never forget her stories of Italy, her family, and especially her love for Matt and Jenna. My life is forever changed with her passing, but I know she is with us. I feel her spirit in everything I do, especially in the kitchen. I can still hear her voice and that laugh. I am so heart broken, but know she is no longer in pain and her spirit lives on.

“ Dear Matt and Eugenia, and the rest of her family as well. Maria loved you all, spoke of you all so lovingly and was always so proud of pictures of family, especially Eugenia, that adorned her work space. I will always remember her insight to issues and how she viewed her life; she loved it. Her smile and laugh will remain in my heart, and how she blessed so many lives. She was so proud of her heritage, Italy and her family and shared so much with us. May the Lord bless all her family, she wasn't on earth long enough but spread so much laughter, thoughts and recipes with so many. We will surely miss Angel Maria.

“ *Matt and Eugenia, My heart is saddened because of your lost. Hearing Maria talk about becoming and being a mom was the days she could talk forever! It was her greatest joy. She loved you both with all her soul. God always gives us rainbows after the thunderstorms in life . . . May God's peace be with you both in your time of grieving. May you find comfort in cherishing memories of your beloved one.*

“ Maria was a true gem, she was full of life, she was sweet, and could always share a story about something, I adored the way she love her family, Matt and Eugenia. I loved her many stories about Italy and her life as an Italian woman, she made me want to travel to Italy. She will be miss by her Advocate work family, her smile, her cooking recipes, her laughter, and her over all kindness!!! My Condolences to the Kissane Family, and my prayers to Matt & Eugenia for comfort and peace at this difficult time
