“ *My family sends condolences to the family of Marie. Marie, and her husband opened their lives to let our son Eric into theirs when he was in grammar school, and treated him as their own grandchild. We know Marie will be missed by her family and friends. She was a loving and caring person. RIP Marie.*

“ So many wonderful and fun memories of baking with Babe. Going to dinner with Big Ro and Pat and Babe. I remember the Palmer House seeing Bobby Darin when he spotted her and came to our table singing to her. We laughed so much especially listening to Big Frank tell his stories. De I thank God for all the good memories with you and Babe. She had a golden heart and I will miss her dearly.
Love, Jackie and Buddy
