“ Aunt Marie, a beautiful soul, who was always a part of my life since I was a baby. She will be in my cherished memories forever. We enjoyed our talks and our visits and how she loved the Italian cookies we would bring her. She was always the first to call and ask how everyone was and concerned for everyone's well being. She was a one of the links keeping us together growing as a family.

Mark and I send our prayers and love to the family.
