“ *Grandma Marie watched me grow up on Bellwood Ave. she was so loving and caring to me and my siblings. She cared deeply for those around her and her wonderful children.*

*When I first had my son she was the first person I took him out to visit. My moms block will not be the same. She will forever live in our hearts.*

“ Marie will be missed by many, but for the Angion family @ 348 Bellwood Ave, we didn't just lose a neighbor but a loving caring friend. In one of our conversations, we discussed health and I quote Marie at age 80 (I feel great, never been sick and no health problems. I'm healthier than my children and we chuckled! I responded "will Marie I'm 51 and have been in and out of the hospital since 3yrs old. We blew each other a kiss when Judy was taking her for an appointment June 6. Marie I will truly miss you and your smile and just being a great neighbor/friend. Love always
