“ My deepest condolences to the Sperando family:

Dolly was a wonderful lady. I always enjoyed being in her company. She made you feel at home and like one of the family. And I might add an awesome baker. She will be missed. Mothers are special, may she remain in your hearts forever and always. May her soul and all the souls of the faithful departed through the mercy of God rest in the peace of Christ. Amen.

A job well done my friend! Your angel is now in heaven.

Love and prayers
