“ *I'm very saddened to hear such horrible news. We served together in Vicenza, Italy. Had some good times there. Verona and Milan for McDonald's cheese burgers and beer. My heart felt condolences go out to his family. RIP duper.*

“ *I worked with Mario, I was very saddened to hear the terrible news of his passing. Mario and I would indulge in a variety of Conversations whilst working together. I'm a history Major and I loved talking with him about History and his experiences in the Military. Mario will be sorely missed. I will remember his kind and gentle soul and implement the lessons he taught me into my life to come.

“ *Mario always had a positive attitude even if he wasn't feeling well at work he came in and did his job. He always had the craziest life stories about jumping out of planes and traveling the world. Mario took me to the hospital when I got injured at work and I hold that memory dear to my heart*
