“ *So sad to hear the passing of Mark.I knew him for many many years before he was married and while I was at Zurich.I just looked him up to find out he has passed away.*

He was the kindest person I ever met. He also made the best sauce for spaghetti.

I had many cases with Mark when he was the Judge firm.I also saw him at Zurich having lunch with him many times and sharing stories about his wife and daughter.

I am sure he is helping God helping kids and watching over his wife and daughter.

“ It was a privilege to have gotten the chance to work with and get to know Mark a little. He had a tremendous influence on my life. At times I actually reflect on how I think Mark would have handled a situation and use that as a guide for the best thing to do. We will be sending thoughts and prayers to the entire Puccio family and will always remember Mark in our hearts. With Love, The Kurtz Family

“ Our lives are richer for having known Mark and counting him as a friend. Mark was a friend, coworker, law partner of mine for many years and no matter what or where he was he remained a genuine honest, sincere, and great person who will be deeply missed. Our hearts are broken for Julie and Mary K and our prayers are with them and all of Mark's family.

“ Julie and Mary Kaelin--
There are seemingly few genuinely kind people in this world, Mark was absolutely one of them. He always extended that kindness to me as a kid, teenager, and adult. I will never forget that. Our sincerest condolences to both of you and may you take strength in remembering the life he lived.
Love,
Matt Knight and family

“ I worked with Mark at Zurich in Schaumburg and he was always so kind and looked for ways to make a difference for the people in the organization through positive interactions which was rare at that time in Claims. He first sought out understanding of the complexity in any given situation and worked cooperatively to find common interests to develop potential solutions and commitments which I greatly appreciated. He always had a genuine kind smile on his face as pictured here which made my day. The world needs more people like Mark and you have my deepest sympathy. May you turn to the Lord for comfort asnd strength

Mark was such a kind human being. Julie and Mary K, you were so blessed to have such a dear person as Mark in your lives. I know that you know this, but wanted to let you know that the whole class of 73 felt this about Mark too. He was one of our best. His faith and love for life always showed through. He cared about everyone. When my husband was sick, it was Mark who was already fighting his illness who stepped up often to send me an encouraging word, and challenge me to keep listening to His word to help us through. Mark you will always be remembered fondly and I will always think of the day I met you on the school bus on our first day of 7th grade and how you walked up to me, gave me your huge grin and said "Hi, I'm Mark, Can I be your friend?"

I learned of you through your daughter's beautiful tribute to you on Phil's Friends looking for a care package for my friend who's continuing to battle cancer. I lost my dad age 56 to cancer too many years ago- I cried for you and my dad too (my dad passed on Dec 9, 1995). Tonight I will pray for both as well as some consolation for your family. May you Rest In Peace. It's wonderful to remember such good and generous persons.
